VENETIAN ISLES COMMUNITY DEVELOPMENT DISTRICT

FISCAL YEAR 2022/2023 REGULAR MEETING SCHEDULE

NOTICE IS HEREBY GIVEN that the Board of Supervisors (the "Board") of the Venetian Isles Community Development District (the "District") will hold Regular Meetings in the Venetian Isles Community Clubhouse Meeting Room located at 15355 Egret Lake Circle, Miami, Florida 33185 at 7:00 p.m. on the following dates:

October 25, 2022

November 15, 2022

January 24, 2023

February 28, 2023

March 28, 2023

April 25, 2023

May 23, 2023

June 27, 2023

September 26, 2023

The purpose of the meetings is for the Board to consider any District business which may lawfully and properly come before the Board. Meetings are open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. Copies of the Agenda for any of the meetings may be obtained from the District's website or by contacting the District Manager at nnguyen@sdsinc.org and/or toll free at 1-877-737-4922, prior to the date of the particular meeting.

From time to time one or two Board members may participate by telephone; therefore, a speaker telephone will be present at the meeting location so that Board members may be fully informed of the discussions taking place. Said meeting(s) may be continued as found necessary to a time and place specified on the record.

If any person decides to appeal any decision made with respect to any matter considered at these meetings, such person will need a record of the proceedings and such person may need to insure that a verbatim record of the proceedings is made at his or her own expense and which record includes the testimony and evidence on which the appeal is based.

In accordance with the provisions of the Americans with Disabilities Act, any person requiring special accommodations or an interpreter to participate at any of these meetings should contact the District Manager at nnguyen@sdsinc.org and/or toll free at 1-877-737-4922 at least seven (7) days prior to the date of the particular meeting.

Meetings may be cancelled from time to time with no advertised notice.

OVERVIEW – SERIES 2013 BONDS

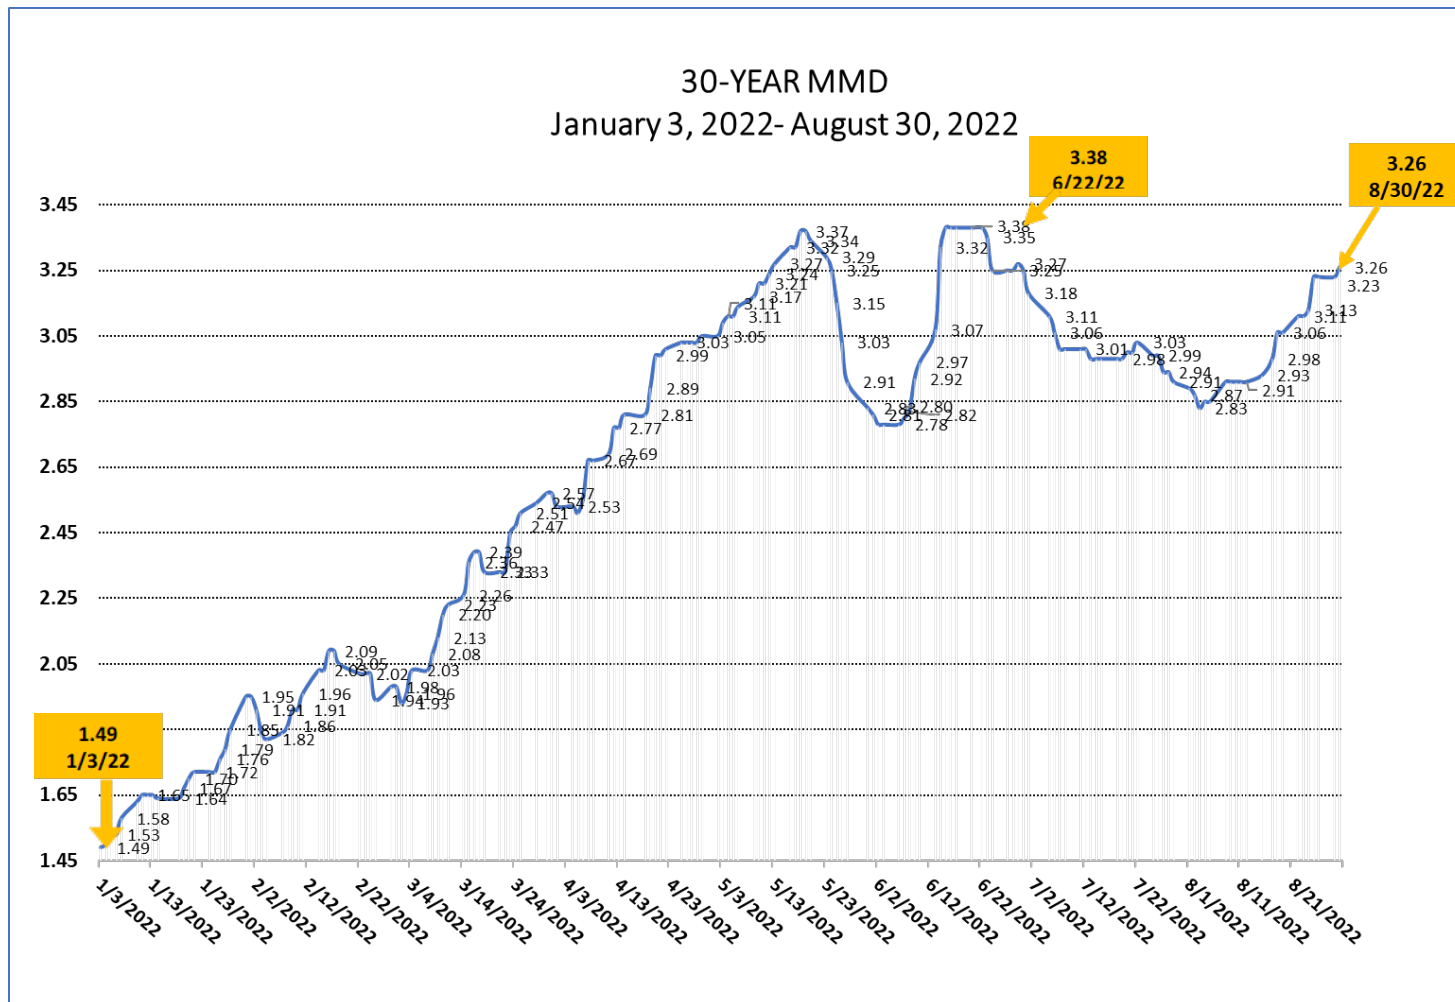

Overview of Series 2013 BONDS

- The Venetian Isles Community Development District (the “District”) issued its \$3,285,000 Special Assessment Revenue Refunding Bonds, Series 2013 in May 2013.
- The Series 2013 Bonds were issued to refinance and redeem all of the Series 2002 Bonds outstanding. The Series 2002 Bonds were issued for the primary purpose of financing the cost of the design, construction and acquisition of certain roadways improvements, water distribution system and wastewater collection and transmission facilities.
- The Series 2013 Bonds mature on May 1, 2028, and will be callable at the option of the District on or after May 1, 2023, at par. The interest rate on the Series 2013 Bonds range from 3.50 to 3.875%.
- The Series 2013 Bonds may be currently refunded on February 1, 2023 (90 days prior to the call date).
- The Series 2013 Bonds are secured by special assessments on 571 lots identified in the Supplemental Assessment Methodology Report dated May 7, 2013.
- Following is the status of the District’s Long-term Debt.

| Series | Outstanding Par | Average Coupon | Maximum Annual Debt Service | Call Provisions | Call Premium | Final Maturity |

Next Steps (Private Placement)

Timeline typically requires approximately 80-90 days to complete

Timetable – Private Placement (Bank)

- Engage Financing Team
- Preliminary Engineer's Report
- Preliminary Assessment Methodology Report
- Indenture, Bond Resolution
- Credit Package sent to interested Banks
- Review and Approve Term Sheet from Bank

Disclosures Regarding Underwriter's Role – MSRB Rule G-17

Disclosures Concerning the Underwriter's Role

- (i) MSRB Rule G-17 requires an underwriter to deal fairly at all times with both municipal issuers and investors.
- (ii) The underwriter's primary role is to purchase the Bonds with a view to distribution in an arm's-length commercial transaction with the Issuer. The underwriters has financial and other interests that differ from those of the District.
- (iii) Unlike a municipal advisor, the underwriter does not have a fiduciary duty to the District under the federal securities laws and are, therefore, is required by federal law to act in the best interests of the District without regard to their own financial or other interests.
- (iv) The underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price but must balance that duty with their duty to sell the Bonds to investors at prices that are fair and reasonable.
- (v) The underwriter will review the official statement for the Bonds in accordance with, and as part of, its respective responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction.

Disclosure Concerning the Underwriter's Compensation

- The underwriter will be compensated by a fee and/or an underwriting discount that will be set forth in the bond purchase agreement to be negotiated and entered into in connection with the issuance of the Bonds. Payment or receipt of the underwriting fee or discount will be contingent on the closing of the transaction and the amount of the fee or discount may be based, in whole or in part, on a percentage of the principal amount of the Bonds. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since the underwriter may have an incentive to recommend to the District a transaction that is unnecessary or to recommend that the size of the transaction be larger than is necessary.

Disclosures Regarding Underwriter's Role – MSRB Rule G-17

Conflicts of Interest

- The Underwriter has not identified any additional potential or actual material conflicts that require disclosure including those listed below.
- Payments to or from Third Parties. There are no undisclosed payments, values, or credits to be received by the Underwriter in connection with its underwriting of this new issue from parties other than the District, and there are no undisclosed payments to be made by the Underwriter in connection with this new issue to parties other than the District (in either case including payments, values, or credits that relate directly or indirectly to collateral transactions integrally related to the issue being underwritten). In addition, there are no third-party arrangements for the marketing of the District's securities.
- Profit-Sharing with Investors. There are no arrangements between the Underwriter and an investor purchasing new issue securities from the Underwriter (including purchases that are contingent upon the delivery by the District to the Underwriter of the securities) according to which profits realized from the resale by such investor of the securities are directly or indirectly split or otherwise shared with the Underwriter.
- Credit Default Swaps. There will be no issuance or purchase by the Underwriter of credit default swaps for which the reference is the District for which the Underwriter is serving as underwriter, or an obligation of that District.
- Retail Order Periods. For new issues in which there is a retail order period, the Underwriter will honor such agreement to provide the retail order period. No allocation of securities in a manner that is inconsistent with a District's requirements will be made without the District's consent. In addition, when the Underwriter has agreed to underwrite a transaction with a retail order period, it will take reasonable measures to ensure that retail clients are bona fide.
- Dealer Payments to District Personnel. Reimbursements, if any, made to personnel of the District will be made in compliance with MSRB Rule G-20, on gifts, gratuities, and non-cash compensation, and Rule G-17, in connection with certain payments made to, and expenses reimbursed for, District personnel during the municipal bond issuance process.

Disclosures Concerning Complex Municipal Securities Financing

- Since the Underwriter has not recommended a "complex municipal securities financing" to the Issuer, additional disclosures regarding the financing structure for the Bonds are not required under MSRB Rule G-17.

MBS CAPITAL MARKETS, LLC

AGREEMENT FOR UNDERWRITING SERVICES VENETIAN ISLES COMMUNITY DEVELOPMENT DISTRICT (Miami-Dade County, Florida)

September 27, 2022

Board of Supervisors
Venetian Isles Community Development District

Dear Supervisors:

MBS Capital Markets, LLC (the “Underwriter”) offers to enter into this agreement (the “Agreement”) with the Venetian Isles Community Development District (the “District”) which, upon your acceptance of this offer, will be binding on the District and the Underwriter. This agreement relates to the proposed issuance of the District’s Series 2023 Bonds (the “Bonds”) for the purpose of refunding the District’s outstanding Series 2013 Bonds (the “Prior Bonds”). This Agreement will cover the engagement for the Bonds and will be supplemented for future bond issuances as may be applicable.

1. **Scope of Services:** MBS intends to serve as the underwriter, and not as a financial advisor or municipal advisor, in connection with the issuance of the Bonds. The scope of services to be provided in a non-fiduciary capacity by the Underwriter for this transaction will include those listed below.
 - Advice regarding the structure, timing, terms, and other similar matters concerning the particular municipal securities described above.
 - Preparation of rating strategies and presentations related to the issue being underwritten.
 - Preparations for and assistance with investor “road shows,” if any, and investor discussions related to the issue being underwritten.
 - Advice regarding retail order periods and institutional marketing if the District decides to engage in a negotiated sale.
 - Assistance in the preparation of the Preliminary Official Statement, if any, and the Final Official Statement.
 - Assistance with the closing of the issue, including negotiation and discussion with respect to all documents, certificates, and opinions needed for the closing.
 - Coordination with respect to obtaining CUSIP numbers and the registration with the Depository Trust Company.
 - Preparation of post-sale reports for the issue, if any.
 - Structuring of refunding escrow cash flow requirements, but not the recommendation of and brokerage of particular municipal escrow investments.

Member: FINRA/SIPC

2. **Fees:** The Underwriter will be responsible for its own out-of-pocket expenses other than the fees and disbursements of underwriter's or disclosure counsel which fees shall be paid from the proceeds of the Bonds. Any fees payable to the Underwriter will be contingent upon the successful sale and delivery or placement of the Bonds. The underwriting fee for the sale or placement of the Bonds will be the greater of \$50,000 or 1.50% of the total par amount of Bonds issued.

The Underwriter shall also bear the cost of obtaining an investment grade rating with the actual cost of the rating to be paid from the proceeds of the Bonds only to the extent Bonds are issued.

3. **Termination:** Both the District and the Underwriter will have the right to terminate this Agreement without cause upon written notice to the non-terminating party.
4. **Purchase Contract:** At or before such time as the District gives its final authorization for the Bonds, the Underwriter and its counsel will deliver to the District a purchase or placement contract (the "Purchase Contract") detailing the terms of the Bonds.
5. **Notice of Meetings:** The District shall provide timely notice to the Underwriter for all regular and special meetings of the District. The District will provide, in writing, to the Underwriter, at least one week prior to any meeting, except in the case of an emergency meeting for which the notice time shall be the same as that required by law for the meeting itself, of matters and items for which it desires the Underwriter's input.
6. **Disclosures Concerning the Underwriter's Role Required by MSRB Rule G-17.** The Municipal Securities Rulemaking Board's Rule G-17 requires underwriters to make certain disclosures to issuers in connection with the issuance of municipal securities. Those disclosures are attached hereto as "Exhibit A." By execution of this Agreement, you are acknowledging receipt of the same. If you or any other Issuer officials have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with the Issuer's own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent you deem appropriate. It is our understanding that you have the authority to bind the Issuer by contract with us, and that you are not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

EXHIBIT A

Disclosures Concerning the Underwriter's Role

- (i) MSRB Rule G-17 requires an underwriter to deal fairly at all times with both municipal issuers and investors.
- (ii) The underwriter's primary role is to purchase the Bonds with a view to distribution in an arm's-length commercial transaction with the Issuer. The underwriters has financial and other interests that differ from those of the District.
- (iii) Unlike a municipal advisor, the underwriter does not have a fiduciary duty to the District under the federal securities laws and is, therefore, required by federal law to act in the best interests of the District without regard to their own financial or other interests.
- (iv) The underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price but must balance that duty with their duty to sell the Bonds to investors at prices that are fair and reasonable.
- (v) The underwriter will review the official statement for the Bonds in accordance with, and as part of, its respective responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction.

Disclosure Concerning the Underwriter's Compensation

The underwriter will be compensated by a fee and/or an underwriting discount that will be set forth in the bond purchase agreement to be negotiated and entered into in connection with the issuance of the Bonds. Payment or receipt of the underwriting fee or discount will be contingent on the closing of the transaction and the amount of the fee or discount may be based, in whole or in part, on a percentage of the principal amount of the Bonds. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since the underwriter may have an incentive to recommend to the District a transaction that is unnecessary or to recommend that the size of the transaction be larger than is necessary.

Conflicts of Interest

The Underwriter has not identified any additional potential or actual material conflicts that require disclosure including those listed below.

MBS CAPITAL MARKETS, LLC

Payments to or from Third Parties. There are no undisclosed payments, values, or credits to be received by the Underwriter in connection with its underwriting of this new issue from parties other than the District, and there are no undisclosed payments to be made by the Underwriter in connection with this new issue to parties other than the District (in either case including payments, values, or credits that relate directly or indirectly to collateral transactions integrally related to the issue being underwritten). In addition, there are no third-party arrangements for the marketing of the District's securities.

Profit-Sharing with Investors. There are no arrangements between the Underwriter and an investor purchasing new issue securities from the Underwriter (including purchases that are contingent upon the delivery by the District to the Underwriter of the securities) according to which profits realized from the resale by such investor of the securities are directly or indirectly split or otherwise shared with the Underwriter.

Credit Default Swaps. There will be no issuance or purchase by the Underwriter of credit default swaps for which the reference is the District for which the Underwriter is serving as underwriter, or an obligation of that District.

Retail Order Periods. For new issues in which there is a retail order period, the Underwriter will honor such agreement to provide the retail order period. No allocation of securities in a manner that is inconsistent with a District's requirements will be made without the District's consent. In addition, when the Underwriter has agreed to underwrite a transaction with a retail order period, it will take reasonable measures to ensure that retail clients are bona fide.

Dealer Payments to District Personnel. Reimbursements, if any, made to personnel of the District will be made in compliance with MSRB Rule G-20, on gifts, gratuities, and non-cash compensation, and Rule G-17, in connection with certain payments made to, and expenses reimbursed for, District personnel during the municipal bond issuance process.

Disclosures Concerning Complex Municipal Securities Financing

Since the Underwriter has not recommended a "complex municipal securities financing" to the Issuer, additional disclosures regarding the financing structure for the Bonds are not required under MSRB Rule G-17.

MEMORANDUM

TO: District Manager

FROM: Billing, Cochran, Lyles, Mauro & Ramsey, P.A.
District Counsel

DATE: July 7, 2022

RE: 2022 Legislative Update

As District Counsel, throughout the year we continuously monitor pending legislation that may be applicable to the governance and operation of our Community Development District and other Special District clients. It is at this time of year that we summarize those legislative acts that have become law during the most recent legislative session, as follows:

1. Chapter 2022 – 220, Laws of Florida (HB 7055). The legislation prohibits state agencies and local governments from paying or otherwise complying with a ransomware incident and establishes penalties and fines for certain ransomware offenses against a government entity¹. The law provides that a ransomware offense is punishable as a first degree felony. The legislation further provides that an employee or contractor of a government entity, with access to the government entity's network, who willfully and knowingly aids or abets another in the commission of a ransomware offense against the government entity commits a felony of the first degree. The law defines the severity level of a cybersecurity incident in accordance with the National Cyber Incident Response Plan. State agencies and local governments must report all ransomware incidents and high severity level cybersecurity incidents to the Cybersecurity Operations Center and the Cybercrime Office within the Florida Department of Law Enforcement as soon as possible, but no later than 12 hours after the discovery of the incident. Local Governments must also report the incident to the local sheriff's office. The legislation requires state agency and local government employees to undergo certain cybersecurity training within 30 days of employment and annually thereafter. The law requires local governments to adopt cybersecurity standards that safeguard the local government's data, information technology (IT), and IT resources. Counties with a population less than 75,000 and municipalities with a population less than 25,000 must adopt the standards by January 1, 2025. The legislation expands the purpose of the Cybersecurity Advisory Council (CAC) to include advising local governments on cybersecurity and requires the CAC to examine reported cybersecurity and ransomware incidents to develop best practice recommendations. The effective date of this act is July 1, 2022.

2. Chapter 2022 – 221, Laws of Florida (HB 7057). The legislation provides a general public record exemption in ch. 119, F.S., for the following information held by an agency:

¹ The bill defines the term "government entity" to mean any official, officer, commission, board, authority, council, committee, or department of the executive, judicial, or legislative branch of state government; state universities; and any county or municipality, special district, water management district, and any other district in this state.

- Coverage limits and deductible or self-insurance amounts of insurance or other risk mitigation coverages acquired for the protection of IT systems, operational technology systems, or data of an agency.
- Information relating to critical infrastructure.
- Network schematics, hardware and software configurations, or encryption information or information that identifies detection, investigation, or response practices for suspected or confirmed cybersecurity incidents.
- Cybersecurity incident information reported pursuant to Sections 282.318 or 282.3185, F.S.

The law also creates a public meeting exemption for any portion of a meeting that would reveal confidential and exempt information; however, any portion of an exempt meeting must be recorded and transcribed. The recording and transcript are confidential and exempt from public record requirements. The legislation provides for release of the confidential and exempt information in certain instances and authorizes agencies to report information about cybersecurity incidents in an aggregate format. The law provides for repeal of the exemptions on October 2, 2027, unless reviewed and saved from repeal by the Legislature, and provides a public necessity statement as required by the Florida Constitution. The effective date of this act is July 1, 2022.

3. Chapter 2022 – 140, Laws of Florida (HB 7001). In 2018, the electorate of Florida amended the state constitution to prohibit lobbying by certain public officers both during public service and for a six-year period after leaving public office. This legislation implements the new constitutional public officer lobbying prohibitions. The prohibitions address lobbying on issues of policy, appropriations, or procurement before the federal government, the legislature, any state government body or agency, or any political subdivision. It provides that the prohibitions apply to persons in public office on or after December 31, 2022. It authorizes the Commission on Ethics (Commission) to investigate and determine violations of the new prohibitions. The bill provides a range of penalties for violations and directs the Commission to report post-service lobbying violations and recommended punishment to the Governor for imposition of penalties. The prohibitions affect the following officers:

- Statewide elected officers;
- Members of the Legislature;
- County commissioners;
- Constitutional county officers and county charter officers;
- School board members;
- School superintendents;
- Elected municipal officers,
- Elected special district officers in special districts with ad valorem taxing authority;
- and
- Secretaries, executive directors, and other administrative heads of executive branch departments.

The effective date of this act is December 31, 2022.

4. Chapter 2022 – 97, Laws of Florida (HB 7071). The legislation provides for a number of tax reductions and other tax-related modifications designed to directly impact both families and businesses. Of interest to Special Districts is the provision that provides tax relief to parcel owners affected by a sudden and unforeseen collapse of a residential building. The law requires the tax collector to abate all taxes and non-ad valorem assessments for the year in which the destruction occurred, and the property appraiser must notify the owners of the abatement. The condition of the residential improvement on January 1 of the year the property was destroyed must have been in such a state that the residential improvement had no value due to a latent defect of the property not readily discernable by inspection. Parcel owners whose property tax is abated are not required to make a payment and property appraisers and tax collectors are prohibited from issuing tax notices. The legislation requires tax collectors to refund tax payments made for taxes levied in the year of collapse. The law requires value adjustment boards to dismiss petitions from parcel owners challenging the value of the parcel for the year of the collapse. The legislation also provides for the following sales tax holidays:

- Back to School July 25 to August 7
- Disaster Preparedness May 28 to June 10
- Energy Star Appliances September 1 to February 28
- Freedom Week² July 1 to July 7
- Tools used by Skilled Trade Workers September 3 to September 9
- Diapers July 1, 2022 to June 30, 2023
- Baby and Toddler Clothing July 1, 2022 to June 30, 2023
- Children’s Books May 14 to August 14
- Impact resistant Windows and Doors July 1, 2022 to June 30, 2024

Section 197.3195, Florida Statutes, as created by this act, applies retroactively to January 1, 2021. The effective date of this legislation is July 1, 2022.

5. Chapter 2022 – 83, Laws of Florida (HB 1411). The legislation promotes the use of floating solar facilities by requiring local governments to allow these facilities as a permitted use under certain conditions and to amend its land development regulations to promote the use of floating solar. Floating solar is a concept that refers to any type of solar array that floats atop a body of water. The legislation defines “floating solar facility” as a solar facility, as defined in s. 163.3205(2), F.S., which is located on wastewater treatment ponds, abandoned limerock mine areas, stormwater treatment ponds, reclaimed water ponds, or other water storage reservoirs. Under the law, counties and municipalities may adopt ordinances specifying buffer and landscaping requirements for floating solar facilities, however, such requirements may not exceed the requirements for similar uses involving the construction of other solar facilities that are permitted uses in agricultural land use categories and zoning districts. The effective date of this legislation is July 1, 2022.

6. Chapter 2022 – 202, Laws of Florida (HB 967). The legislation requires the turfgrass science program at the University of Florida Institute of Food and Agricultural Sciences

² Specified admissions (live music events, live sporting events, movie theater tickets, gym access, entry to fairs and festivals, etc.) and items related to recreational activities.

(UF/IFAS), in coordination with the Department of Environmental Protection (DEP), to administer certification for golf course best management practices (BMPs) in order to provide a means of documenting and ensuring compliance with BMPs for fertilizer application to golf courses. The law requires UF/IFAS to provide training and testing certification programs and to issue certificates demonstrating completion of such programs. The certification expires four years after the date of issuance, and recertification is available if an applicant completes continuing education. Persons certified in golf course BMPs are exempt from additional local training and from local ordinances relating to water and fertilizer use, blackout periods, or restrictions unless a state of emergency is declared. The legislation encourages UF/IFAS to create a registry of persons certified on its website. The effective date of this legislation is July 1, 2022.

7. Chapter 2022 – 103, Laws of Florida (HB 7049). The legislation gives a governmental agency the option to publish its legal notices on the publicly accessible website of the county in which it lies instead of in a printed newspaper or on a newspaper's website if doing so would cost less than publishing legal notices in a newspaper. The law requires a special district spanning the geographic boundaries of more than one county and opting to publish legal notices on a publicly accessible website to publish its legal notices on the publicly accessible website of each county within its boundaries. A link to legal notices published on a publicly accessible website must be conspicuously placed on or accessible through a direct link from the (1) publicly accessible website's homepage; and (2) the homepage of the website of each governmental agency publishing legal notices online. A governmental agency publishing legal notices on a publicly accessible website must (1) give notice in a newspaper or in a mailed or delivered publication, at least annually, that property owners and residents may receive legal notices from the governmental agency by first-class mail or e-mail upon registering with the agency; and (2) maintain a registry of property owners and residents who request in writing to receive legal notices from the governmental agency by mail or e-mail. The effective date of this act is January 1, 2023.

8. Chapter 2022 – 216, Laws of Florida (HB 1057). The legislation provides that when an agency is determining whether a vendor is a responsible vendor, an agency may establish financial stability criteria and require a vendor to demonstrate its financial stability. If an agency requires a vendor to demonstrate its financial stability during the competitive solicitation process, the agency must accept any of the following documents as evidence of the vendor's financial stability:

- Audited financial statements that demonstrate the vendor's satisfaction of financial stability criteria.
- Documentation of an investment grade rating from a credit rating agency designated as a nationally recognized statistical rating organization by the Securities and Exchange Commission.
- For a vendor with annual revenues exceeding \$1 billion, a letter containing a written declaration issued by the chief financial officer or controller attesting that the vendor is financially stable and meets the definition of financial stability.
- For a vendor with annual revenues of \$1 billion or less, documentation, based on criteria established by the agency, evidencing that the vendor is financially stable and meets the definition of financial stability. The criteria established by the agency must be reasonably related to the value of the contract and may not include audited financial statements.

The law does not prohibit agencies from accepting additional documentation as evidence of financial stability and it does not preclude an agency from requiring a performance bond for the duration of the contract, when appropriate. The legislation defines the term “financial stability” to mean, at a minimum, having adequate income and capital and the capacity to efficiently allocate resources, assess and manage financial risks, and maintain financial soundness through the term of the contract. The legislation is effective upon becoming law.

9. Chapter 2022 – 190, Laws of Florida (SB 1062). The relevant portion of this legislation provides that service of process against any municipal corporation, agency, board, commission, department, subdivision of the state or any county that has a governing board, council, or commission or which is a body corporate must be served on the registered agent. However, if the entity does not have a registered agent, or if the registered agent cannot be served after one good faith attempt, the entity must be served:

- On the president, mayor, chair, or other head thereof, and in the absence of the aforementioned;
- On the vice president, vice mayor, or vice chair, and in the absence of the aforementioned;
- On any member of the governing board, council, or commission, the manager of the governmental entity, or an in-house attorney for the governmental entity, and in the absence of the aforementioned;
- On any employee of the governmental entity at the main office of the governmental entity.

The effective date of this legislation is January 2, 2023.

10. Chapter 2022 – 76, Laws of Florida (SB 882). The legislation requires each of the state’s five regional water management districts (WMD), as part of its district water management plan and in cooperation with local governments, to develop a list of critical wetlands to be acquired using funds from the Land Acquisition Trust Fund. The WMD must consider the following criteria in designating a wetland for inclusion on the list:

- The ecological value of the wetland as determined by the physical and biological components of the environmental system;
- The effect of the wetland on water quality and flood mitigation;
- The ecosystem restoration value of the wetland; and
- The inherent susceptibility of the wetland to development due to its geographical location or natural aesthetics.

The law requires that before adopting or amending its list of critical wetlands, each WMD must notify property owners whose property the WMD is contemplating including on the list. A property owner who wishes to remove their property from the list must submit a letter to the WMD requesting such removal and sufficiently identifying the property. The WMD must approve the removal if those requirements are met. The effective date of this act is July 1, 2022.

11. Chapter 2022 – 121, Laws of Florida (SB 518). The legislation amends s. 163.045, F.S., to clarify that a local government may not burden a property owner’s rights to prune, trim, or remove trees on his or her own residential property if the tree “poses an unacceptable risk” to

persons or property and the property owner possesses “documentation” from a landscape architect or certified arborist. A tree poses an “unacceptable risk” if removal is the only means of practically mitigating the risk below “moderate.” The law also adds definitions for the terms “documentation” and “residential property.” The definition for “documentation” requires that an onsite assessment be made in a certain manner by a specified type of certified arborist or architect. The bill defines “residential property” as a single-family detached building located on a lot that is actively used for single-family residential purposes. The effective date of this act is July 1, 2022.

12. Chapter 2022 – 89, Laws of Florida (HB 7053). To assist local governments in resilience planning, this legislation creates the Resilient Florida Grant Program (grant program), which authorizes the Department of Environmental Protection (DEP) to provide grants to a city or county to fund the costs of community resilience planning. In addition, the law directs DEP to develop an annual Statewide Flooding and Sea Level Rise Resilience Plan (plan), which consists of a list of ranked projects submitted by cities and counties that address risks posed by flooding and sea-level rise. With respect to the plan, the legislation requires DEP to rank and include in the plan all eligible projects that were submitted for the plan and to include a detailed narrative overview describing how the plan was developed. The bill authorizes special districts that are responsible for the management and maintenance of inlets and intracoastal waterways or for the operation and maintenance of a potable water facility, a wastewater facility, an airport, or a seaport facility to submit projects for inclusion in the plan. This act is effective July 1, 2022.

13. Chapter 2022 – 266, Laws of Florida (SB 4-C). This legislation dissolves all independent special districts established by a special act prior to the ratification of the Florida Constitution on November 5, 1968, if those districts have not been reestablished, re-ratified, or otherwise reconstituted by special act or general law after such date. Such special districts will be dissolved effective June 1, 2023. The following six districts appear to operate pursuant to a charter, which predates the 1968 Florida Constitution and was not reestablished, re-ratified, or otherwise reconstituted by a special act or general law after November 5, 1968:

- Bradford County Development Authority (Bradford County)
- Sunshine Water Control District (Broward County)
- Eastpoint Water and Sewer District (Franklin County)
- Hamilton County Development Authority (Hamilton County)
- Reedy Creek Improvement District (Orange and Osceola Counties)
- Marion County Law Library (Marion County)

The law allows an independent special district affected by the bill to be re-established on or after June 1, 2023, pursuant to the requirements and limitations of ch. 189 F.S. When there is a dissolution of a special district government, the special district transfers the title to all property owned by the preexisting special district to the local general-purpose government, either a county or municipality, which shall also assume all indebtedness of the preexisting special district. This act is effective July 1, 2022.

For convenience, we have included copies of the legislation referenced in this memorandum. We request that you include this memorandum as part of the agenda packages for upcoming meetings of the governing boards of those special districts in which you serve as the

District Manager and this firm serves as District Counsel. For purposes of the agenda package, it is not necessary to include the attached legislation, as we can provide copies to anyone requesting the same.
